810 N Domingo • Quezon City, 1111 • kevuchiha23@gmail.com • +63 956 029 1238

EDUCATION

University of Asia and the Pacific (UA&P)

Pasig, Philippines

Bachelor of Science in Information Technology

August 2023 – Present

- GPA: 1.48; Dean's List (2nd and 3rd Year); Expanded Liberal Arts Program (ELAP) Scholar
- Capstone (defended): PGKC Integrated System — appointment scheduling and electronic medical records platform for the Philippine Gamma Knife Center (Spring Boot, React/TypeScript, PostgreSQL)
- Finalist/Participant, BPI Hackathon; engineered technical solutions under rapid development cycles

EXPERIENCE

Delloro Saulog Law Offices — IT Consultant

Pasig, Philippines

dellorosaulog.com

June 2025 – Present

- Engineered a web-based billing and activity monitoring system, automating financial tracking and administrative workflows for the firm
- Rebuilt and maintain the firm's website (~2,000 views/day), supporting steady retainer-client conversions

Showcase Listings Media — Web Developer

Remote

showcaselistingsmedia.com

February – April 2026 • ongoing retainer

- Built a real estate media showcase platform end to end — photo/video delivery with subscription workflows
- Scaled the site to 3,000–4,000 daily views generating 10–12 client inquiries per day

CM Integrations — WordPress Developer

Remote (UK)

cmintegrations.co.uk

May 2026 – Present

- Designed and shipped a custom WooCommerce software-licensing platform — licence fulfilment engine, serial-number system, reseller role with per-reseller pricing, admin dashboard, and transactional email — deployed to production via git/SSH across 7 tagged releases

Ellington Marketing — Web Developer

Remote

May 2026 – Present

- Maintain, fix, and deploy client websites inside an agency ticketing workflow — deploys via ServerAvatar + GitHub, DNS management on Cloudflare

Freelance Web Developer

Remote

2021 – Present

- Developed and deployed 10+ WordPress and custom websites; manage full project lifecycle from Figma prototyping to deployment
- Currently building a Next.js billboard-to-landing-page lead funnel for a US real estate team — GA4 + Meta Pixel with per-billboard UTM attribution and CRM handoff

LEADERSHIP & ACTIVITIES

ITeC & ANIMA — Logistics Head

Pasig, Philippines

2024 – Present

- Coordinated equipment and logistics for 10+ student events with audiences exceeding 200 attendees

SKILLS & INTERESTS

- Technical: PHP (WordPress/WooCommerce plugin development), Java (Spring Boot), Python, JavaScript/TypeScript, SQL/PostgreSQL, React, Next.js, HTML/CSS, Supabase, Figma, GA4 + Meta Pixel, Git/GitHub, Cloudflare DNS, Vercel/AWS/ServerAvatar deployment
- Interests: self-taught guitarist; basketball; OSINT and white-hat cybersecurity; planning to pursue a Juris Doctor (JD) after BS IT to bridge technology and law
